

# CALL FOR PAPERS

**ICHWCHD 2020**  
**Apr 16-17, 2020**  
**Paris, France**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHWCHD 2020 : International Conference on Human-Wildlife Conflicts and Habitat Destruction is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Human-Wildlife Conflicts and Habitat Destruction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Human and wildlife interactions  
Natural and human impacts on  
wildlife  
Animals, habitats, and human  
interactions  
Wildlife conservation  
Wildlife populations and habitats  
Human perceptions  
Management approaches to human and  
wildlife interactions  
Harassment of wildlife  
Risk perception and public  
involvement  
Risk management

Effects on wildlife harassment  
Current issues in wildlife  
management and conservation  
Natural extinction  
Multiple factors  
Unfair competition  
Wildlife-rich areas  
Creative solutions to  
wildlife/people conflicts  
Pollution and habitat destruction  
Public education and conservation
