

# CALL FOR PAPERS

**ICBPHE 2020**  
**Apr 23-24, 2020**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBPHE 2020 : International Conference on Problem-Based Pedagogy and Higher Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Problem-Based Pedagogy and Higher Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Problem-based pedagogy  
Problem-based learning strategies  
Problem-based pedagogies in higher education  
Educational experiences in problem-based pedagogies  
Learner-driven self-identified goals and outcomes  
Project-based learning
