

# CALL FOR PAPERS

**ICVDCI 2020**  
**Apr 23-24, 2020**  
**Tokyo, Japan**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVDCI 2020 : International Conference on Vascular Dementia and Cognitive Impairment is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Vascular Dementia and Cognitive Impairment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Vascular dementia  
Vascular dementia diagnosis and management  
Vascular cognitive impairment  
Vascular dementia prognosis  
Young onset dementia  
Multi-infarct dementia

Parkinson dementia  
Advances in vascular dementia therapy  
Neuropsychological assessment of vascular dementia  
Neuroimaging in vascular cognitive impairment  
The pharmacological management of vascular dementia
