

CALL FOR PAPERS

ICALP 2020
May 21-22, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICALP 2020 : International Conference on Applied Linguistics and Psycholinguistics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Applied Linguistics and Psycholinguistics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

The use of corpora in discourse analysis
Corpus methodology
Theoretical corpus linguistics
The interface between corpus and linguistic theory
Psycholinguistic and cognitive explorations
Corpus-based lexicology and lexicography
Corpus approaches to the study of new media
Corpus design, compilation and types
Applications of corpus approaches in the social sciences and humanities

Corpus-based lexicology and lexicography
Sociolinguistics, language variation and applied linguistics
Corpus-based grammatical studies
Discourse, corpora and literary analysis
Corpora, contrastive studies and translation
