

# CALL FOR PAPERS

**ICDHW 2020**  
**May 21-22, 2020**  
**Vancouver, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDHW 2020 : International Conference on Digital Health and Wellbeing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Digital Health and Wellbeing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

#### Digital health

The future of digital healthcare  
M-health and mobile health  
Healthcare and information technologies  
Digital hospital management  
Technology and infrastructure for healthcare
