

CALL FOR PAPERS

ICFBC 2020
Jun 11-12, 2020
Barcelona, Spain

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFBC 2020 : International Conference on Forage and Bioenergy Crops is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Forage and Bioenergy Crops. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Crop genetics and improvement
Production management
Forage quality
Novel crops
Soil fertility and microbiology
Soil-plant interaction

Phytopathology
Crop physiology
Modelling
Life cycle assessment
Economics and marketing
Policy
