

CALL FOR PAPERS

ICATAACT 2020
Jun 11-12, 2020
Copenhagen, Denmark

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICATAACT 2020 : International Conference on Antigens, Tumor-Associated Antigens and Cancer Therapy is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Antigens, Tumor-Associated Antigens and Cancer Therapy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Antigens and cancer therapy
Neoantigens
Tumor-associated antigens
Tumor targeting
Antibodies
CARs

TRUCKs
Immunotherapies
T cells
NK cells
Signal transduction
