

CALL FOR PAPERS

ICHFMSD 2020
Jun 11-12, 2020
Copenhagen, Denmark

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHFMSD 2020 : International Conference on Human-Friendly Mechatronics Systems Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Human-Friendly Mechatronics Systems Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Human friendly mechatronics
Human adaptive mechatronics
Human interface and communication
Human-machine interface design
Human-system modelling
Human-friendly mechatronics systems
Human support technology

Actuator and control
Vision and sensing
Robotics and design
Bio-robotics
Human-friendly robots
Human safety mechanisms of human-friendly robots
