

CALL FOR PAPERS

ICALIDUP 2020
Jun 04-05, 2020
New York, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICALIDUP 2020 : International Conference on Architecture, Landscape, Interior Design and Urban Planning is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Architecture, Landscape, Interior Design and Urban Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Architecture
Architecture pedagogy
Automation in design/construction
Building thermal performances
Design cognition and computing
Design modelling/simulation
Design planning
Eco housing
Energy optimization in the context of the built environment
Futuristic conceptualizations
Green built environments
Indigenous design

Indoor environment quality
Integrated design studies
Passive design systems
Performance-based design
Responsive architecture
Smart housing/intelligent buildings
Sustainable developments
Landscape
Air pollution mitigation with plants
Archaeological site vegetation management
Bioclimatic design of open spaces
