

# CALL FOR PAPERS

**ICAUSAC 2020**  
**Jun 04-05, 2020**  
**New York, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAUSAC 2020 : International Conference on Architecture, Urban Space and Architectural Culture is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Architecture, Urban Space and Architectural Culture. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Fictional spaces  
Imagery places  
Utopia and dystopia remembered  
Rhetoric, metaphors and architecture  
Interior and literature  
Space and emotion  
Textual spaces / spatial texts  
The language of built space  
Mapping the city  
Icons and meaning  
Form, representation, and poetry  
Pacing and tension: the structures of literary texts (literary architecture)

The interrelations between literary characters and real/imaginary architectural structures and spaces  
Sound and smell  
Writing cityscapes
