

CALL FOR PAPERS

ICFPMMTP 2020
Jun 04-05, 2020
New York, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFPMMTP 2020 : International Conference on Food Packaging Materials, Migration Testing and Prediction is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Packaging Materials, Migration Testing and Prediction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Food contact materials
Polymer additives
Food packaging safety
Compliance
Migration testing and prediction

Diffusion modelling
Chemical analysis
Consumer exposure
Risk assessment
