

CALL FOR PAPERS

ICGMIA 2020
Jun 04-05, 2020
New York, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGMIA 2020 : International Conference on Geopolymer Materials and Innovative Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Geopolymer Materials and Innovative Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Geopolymer materials: chemistry and applications
Geopolymers
Carbon footprint
Alkali-activated materials

Inorganic polymers
Waste valorization
Sustainable design
Innovative applications
