

# CALL FOR PAPERS

**ICBE 2020**  
**Jun 18-19, 2020**  
**Riga, Latvia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBE 2020 : International Conference on Blasting and Explosives is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Blasting and Explosives. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

EU directives and harmonisation  
work  
Health, safety and the environment  
Blast vibration and seismology  
Technical development  
Shot hole development  
Blasting work experiences

Construction blasting  
Clearance and decontamination  
Management blast design  
Explosive detection for security  
New applications and training
