

# CALL FOR PAPERS

**ICCAA 2020**  
**Jun 05-06, 2020**  
**San Francisco, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCAA 2020 : International Conference on Career Awareness and Assessment is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Career Awareness and Assessment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Academic integration  
Career clusters and pathways  
Career and technical education programs  
Creative use of career information and career resources  
Technical skills assessment  
Educational development plans and portfolios  
Labor market trends and emerging occupations  
Digital skills for career professionals

Work based learning  
Apprenticeships  
The future of work and the importance of lifelong career development for all  
Career awareness and assessment  
Career development strategies  
Analytics and data science  
Workforce development for global opportunities and mobility  
Curriculum development
