

CALL FOR PAPERS

ICEDE 2020
Jun 05-06, 2020
San Francisco, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEDE 2020 : International Conference on Educational Development and Evaluation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Educational Development and Evaluation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Educational Development and Evaluation
Curriculum Development in Higher Education
Research in Education and Curriculum Planning for Gifted Minds
Science, Technology, Engineering, and Mathematics (STEM) Education
Recognizing the gifted
Educating gifted students
STEM talent development
How society views giftedness

Policies for the gifted
Teaching the gifted
Enrichment and acceleration for gifted students
Non-formal education for gifted
Special opportunity programs for STEM talent development
Longitudinal studies with gifted students
Cognitive research on giftedness
