

CALL FOR PAPERS

ICHS 2020
Jun 05-06, 2020
San Francisco, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHS 2020 : International Conference on Hydrocarbon Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Hydrocarbon Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Polycyclic aromatic hydrocarbons
Hydraulic fracturing
Hydrocarbon exploration

Hydrocarbon fuel
Total petroleum hydrocarbon
