

CALL FOR PAPERS

ICLEOT 2020
Jun 05-06, 2020
San Francisco, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLEOT 2020 : International Conference on e-Learning e-Education and Online Training is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of e-Learning e-Education and Online Training. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Accessibility and usability of
web-based instruction in the
classroom
Assessment
Best Practices
Collaborative learning and social
networks
e-Learning workflow
Educational/learning repositories
Mobile learning

Security and privacy in education
and e-learning systems
Serious games and game-based
learning
Social and organizational
perspectives
Standards and infrastructures
Student engagement
Teaching/Educational Models,
Frameworks and Platforms
Virtual Learning Environments
