

CALL FOR PAPERS

ICTMPD 2020
Jun 05-06, 2020
San Francisco, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTMPD 2020 : International Conference on Travel Medicine and Psychiatric Disorders is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Travel Medicine and Psychiatric Disorders. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Travel medicine	The pregnant and breastfeeding traveler
Globalization and travel	The pediatric and adolescent traveler
Morbidity and mortality in travelers	The older traveler
Pre-travel consultation	The physically challenged traveler
Water disinfection for international travelers	The travelers with pre-existing disease
Insect protection	The immunocompromised traveler
Travel medical kits	The traveler with HIV
Routine adult vaccines and boosters	Environmental aspects of travel medicine
Pediatric travel vaccinations	Extremes of temperature and hydration
Malaria	Jet lag
Self-diagnosis and self-treatment of malaria	Motion sickness
Travelers' diarrhea	Health problems while traveling
Prevention of travelers' diarrhea	Psychiatric disorders of travel
