

CALL FOR PAPERS

ICBFN 2020
Jun 11-12, 2020
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBFN 2020 : International Conference on Biomarkers in Food and Nutrition is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biomarkers in Food and Nutrition. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Food intake biomarkers
Biomarkers in nutritional
epidemiology
Food intake
Dietary assessment
Dietary biomarkers

Metabolomics
Mass spectrometry
Recent applications of NMR in food
and dietary studies
Quantitative metabolite profiling
Untargeted metabolomic profiling
