

CALL FOR PAPERS

ICIUCP 2020
Jun 22-23, 2020
Venice, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIUCP 2020 : International Conference on Intelligent Urbanism and City Planning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Intelligent Urbanism and City Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Intelligent urbanism
Smart city
Platforms and technologies
Smart city roadmap
Environmental sustainability
Heritage conservation
Appropriate technology
Infrastructure-efficiency
Placemaking
Social access
Transit-oriented development
Regional integration
Human scale

Institutional integrity
Principle one: a balance with nature
