

# CALL FOR PAPERS

**ICADI 2020**  
**Jul 16-17, 2020**  
**Bali, Indonesia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICADI 2020 : International Conference on Alcohol and Drug Interactions is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Alcohol and Drug Interactions. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Drug interactions	Food and drug interactions
Drug-drug interactions	Synergy and antagonism
Drug-food/beverage interactions	Underlying factors
Drug-condition interactions	Analytical interference
Mechanisms	Pharmacodynamic interactions
Drug interactions with benzodiazepines	Pharmacokinetic interactions
Antiepileptic drugs	Absorption interactions
Opioids and opiates	Changes in motility
Selective serotonin reuptake inhibitors	Transport and distribution interactions
Antipsychotic drugs and interactions	Metabolism interactions
Cardiovascular drugs	Enzymatic inhibition
Antibiotics	Enzymatic induction
Alcohol and drug interactions	Excretion interactions
