

CALL FOR PAPERS

ICERFAD 2020
Jul 16-17, 2020
Bali, Indonesia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICERFAD 2020 : International Conference on Epidemiology and Risk Factors of Allergic Diseases is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Epidemiology and Risk Factors of Allergic Diseases. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Results of studies based on
credible data

Allergic diseases such as asthma,
allergic rhinitis, atopic
dermatitis, urticaria, anaphylaxis,
food allergy, and drug allergy
Environmental, ecological, and
climate-related factors

Regional, socioeconomic, and
sociodemographic factors
Genetic, behavioral, dietary, and
medical factors
