

CALL FOR PAPERS

ICBN 2020
Jul 23-24, 2020
Berlin, Germany

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBN 2020 : International Conference on Biogenic Nanomaterials is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biogenic Nanomaterials. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biosynthesis
Nanoparticles
Bioresources
Nanotechnology

Green chemistry
Scalability
Bioprocess
Phototroph
