

CALL FOR PAPERS

ICCAER 2020
Jul 23-24, 2020
Berlin, Germany

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCAER 2020 : International Conference on Cotton Agricultural and Environmental Research is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cotton Agricultural and Environmental Research. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cotton production and quality
research
Cotton agricultural and
environmental research
Cotton fiber quality
Cotton fiber maturity

Cotton harvesting and ginning
Cotton plastic contamination
Cotton fiber maturity modelling
