

CALL FOR PAPERS

ICFAWS 2020
Jul 23-24, 2020
Berlin, Germany

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFAWS 2020 : International Conference on Farm Animal Welfare Studies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Farm Animal Welfare Studies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Farm animal welfare
Models in farm animal welfare
The economics of farm animal welfare
Farm animal welfare and food policy
Farm animal care and management technology
Welfare implications of management practices in the dairy industry

Epidemiology and control of communicable diseases
Farm animal infection and immunity
Surveillance of animal health and production
Comparative nondomestic animal analgesia
Applied risk assessment and management
Farm animal reproduction and genetics
