

CALL FOR PAPERS

ICPRS 2020
Jul 15-16, 2020
Copenhagen, Denmark

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPRS 2020 : International Conference on Psychophysiological Responses in Sports is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Psychophysiological Responses in Sports. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Psychophysiological response in sports
Sport neuroscience and psychophysiology
Psychomotor efficiency
Sport physiology
Psychophysiological stress responses during training and competition

Applications of psychophysiology in sports psychology
Relationships between psychological and physiological responses
Production of cortisol in response to stress
Psychophysiological response to severe sport injury
Performance optimization in sport
