

CALL FOR PAPERS

ICAEC 2020
Jul 17-18, 2020
Helsinki, Finland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAEC 2020 : International Conference on Agricultural Education and Communication is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Agricultural Education and Communication. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Agricultural education
Communication for development
Competence management and development
Corporate social responsibility and human resource development
Design and implementation of competence-based education
Environmental and natural resource management
Entrepreneurship and learning
Facilitating multiple-stakeholder processes
Health and society

Innovation of agricultural-technical education
Innovation systems and learning
Integrated rural development
Interdisciplinary and social learning
Learning, conflict and decision making
Poverty reduction
Performance improvement
Sustainable agricultural production
