

# CALL FOR PAPERS

**ICAPSBH 2020**  
**Jul 17-18, 2020**  
**Helsinki, Finland**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPSBH 2020 : International Conference on Agronomy, Plant Science, Biotechnology and Horticulture is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Agronomy, Plant Science, Biotechnology and Horticulture. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Agronomy	Forage and Grazinglands
Agroecosystems and Agroecology	Fruits and Perennial Crops
Application of Soil and Plant Sciences to Crop Production	Horticultural Genetics and Biotechnology
Biological Production Systems	Horticulture
Biotechnology	Landscape Design and Management
Crop Breeding	Molecular Biology
Crop Ecology	Nutritionally Enhanced Plants
Crop Ecology, Management and Quality	Pests and Weeds
Crop Physiology	Physiology
Crop Science	Plant and Crop Growth, Yield, Quality and Response to the Environment
Crops and Agricultural Productivity	Plant Breeding and Biotechnology
Environment, Biodiversity and Ecosystems	Plant Science, Biotechnology and Horticulture
Food, Feed, Fuel, Fiber, and Pharmaceutical Crops	Plants and the Environment
