

CALL FOR PAPERS

ICCSUDCC 2020
Jul 17-18, 2020
Helsinki, Finland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCSUDCC 2020 : International Conference on Climate-Sensitive Urban Design and Climate Changes is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Climate-Sensitive Urban Design and Climate Changes. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Climate- sensitive urban design
Climate changes and urbanization
Climatic sensitive landscape
design
Climate and physical urban form
Landscape climatic control
Microclimate through plantation

Microclimate responsive design
Landscape boundary conditions
Climate sensitive urban planning
and building
Maximizing solar access
Design for snow
