

CALL FOR PAPERS

ICFHC 2020
Jul 17-18, 2020
Helsinki, Finland

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFHC 2020 : International Conference on Food History and Culture is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food History and Culture. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Critical methodologies and the study of food/ways
Culinary Arts and Food Service Management
Food Bioprocessing
Food and Nutrition Sciences
Food and regional development
Food Safety and Security
Food and wine tourism destination development
Food as a leisure experience
Food as social entrepreneurship
