

# CALL FOR PAPERS

**ICFWM 2020**  
**Jul 17-18, 2020**  
**Helsinki, Finland**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFWM 2020 : International Conference on Food Waste Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Waste Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sustainable Management of Food Waste  
Food Waste Classification and Identification  
Causes of Food Waste Generation  
Methods of Food Waste Reduction

City Region Food Systems and Food Waste Management  
Sustainable Food Waste Prevention Strategies  
Food Waste Policy, Regulation and Standards  
National Food Waste Assessment
