

CALL FOR PAPERS

ICAIM 2020
Jul 13-14, 2020
Ottawa, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAIM 2020 : International Conference on Advanced Issues Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Issues Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

| | |
|---|--|
| Issues management | |
| Strategic issues management | |
