

# CALL FOR PAPERS

**ICODKM 2020**  
**Jul 13-14, 2020**  
**Ottawa, Canada**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICODKM 2020 : International Conference on Organization Development and Knowledge Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Organization Development and Knowledge Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Organizational development	Appreciative inquiry
Organizational development theory	Activity based working
Human relations studies	Business acumen
Organizational structures and processes	Chaos theory in organizational development
Organizational learning	Collaboration
Knowledge management	Collaborative method
Transformation of organizational norms and values	Corporate education
Organizational culture	Decision engineering
Applied behavioral science	Employee research
The holistic and futuristic view of organization	Employeeeship
Improvement methods of organizational performance	Executive development
Action research	Executive education
Ambidextrous organization	Group dynamics
