

CALL FOR PAPERS

ICUGIRE 2020
Jul 13-14, 2020
Ottawa, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUGIRE 2020 : International Conference on Urban Green Infrastructure and Remnant Ecosystems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Green Infrastructure and Remnant Ecosystems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Green infrastructure
Water sensitive
Stormwater management
Soil and minerals
Nutrient cycling
Biota

Parks
Public space design
Private space
Landscape architecture
Remnant ecosystems
