

CALL FOR PAPERS

ICBAEE 2020
Jul 09-10, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBAEE 2020 : International Conference on Biotechnology, Agriculture, Environment and Energy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biotechnology, Agriculture, Environment and Energy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Energy and Environment	Noise and acoustics
Ecology and Biodiversity	Electromagnetic waves and telecommunication
Conservation	Hazardous waste and waste treatment
Environmental Pollution & Management	Industrial waste treatment
Renewable Energy Sources	Water pollution and treatment
Energy Policy, Planning & Management	Solid waste management
Climate Change and Global Warming	Environmental management systems
Environmental Hydraulics	Air pollution control and equipment
Sustainable Development	Pollution prevention in industry
Remote Sensing and Environment	Renewable Energy
Environmental Ergonomics	Solar electricity and PV applications
Computational Techniques	Solar cell technology, Solar cell materials, testing and efficiency
Air pollution from mobile and stationary sources	
Climate change
