

CALL FOR PAPERS

ICBPTA 2020
Jul 16-17, 2020
Stockholm, Sweden

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBPTA 2020 : International Conference on Biomass Pretreatment Technologies and Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biomass Pretreatment Technologies and Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biomass pretreatment technologies
Technologies for biochemical
conversion of biomass
Recent advances in biomass
pretreatment technologies
Physical pretreatments

Chemical pretreatments
Physicochemical pretreatments
Biological pretreatments
