

# CALL FOR PAPERS

**ICBPTM 2020**  
**Jul 16-17, 2020**  
**Stockholm, Sweden**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBPTM 2020 : International Conference on Biomass Pretreatment Technologies and Methods is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Biomass Pretreatment Technologies and Methods. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biomass pretreatment technologies  
Technologies for biochemical  
conversion of biomass  
Recent advances in biomass  
pretreatment technologies  
Physical pretreatments

Chemical pretreatments  
Physicochemical pretreatments  
Biological pretreatments
