

CALL FOR PAPERS

ICREDRSIN 2020
Jul 16-17, 2020
Toronto, Canada

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICREDRSIN 2020 : International Conference on Regional Economic Development and Regional Socio-Institutional Networks is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Regional Economic Development and Regional Socio-Institutional Networks. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Regional economic development
General economic processes
Global flows and networks
Infrastructures
Knowledge-based economy
Innovation and creativity

Regional governance
Regional socio-institutional
networks and citizen participation
Local economic development and
global economic integration
Spatial inequalities
Bottom-up approach to regional
economic development
Decentralization and regional
economic development
