

CALL FOR PAPERS

ICAMMS 2020
Aug 06-07, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAMMS 2020 : International Conference on Applied Mathematics, Modelling and Simulation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Applied Mathematics, Modelling and Simulation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mathematics and Computation in
Biological Sciences and Medicine
Partial Differential and Integral
Equations in Mathematical Modeling
Applications of Dynamical Systems
and Differential Equations
Computational Physics and
Chemistry
Computational Algebra,
Combinatorics and Optimization
Mathematical Models in Social
Sciences

Computational Mechanics and
Engineering
Financial Mathematics and
Computation
Statistical Modelling
Mathematical Modelling in
Environmental Sciences
Applied Mathematics and
Computational Science
