

CALL FOR PAPERS

ICNBTHM 2020
Aug 17-18, 2020
Barcelona, Spain

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNBTHM 2020 : International Conference on Nature-Based Tourism and Hospitality Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nature-Based Tourism and Hospitality Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nature-based tourism
Trends in nature-based tourism
Nature-based tourism destinations
Conflict and cooperation in environmental resource use
Analysis of risk governance for nature-based tourism
The practice and politics of tourism and land management
Nature-based tourism and sustainability
