

# CALL FOR PAPERS

**ICHIFA 2020**  
**Aug 19-20, 2020**  
**Budapest, Hungary**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHIFA 2020 : International Conference on Hypoxia-Inducible Factors and Angiogenesis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Hypoxia-Inducible Factors and Angiogenesis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Hypoxia  
Oxygen biology  
Hypoxia-inducible factor  
Oxygenase  
Hydroxylase  
Angiogenesis  
Metabolism  
Cancer

Erythropoiesis  
Apoptosis  
Iron metabolism  
Mitochondria  
Genomics  
Proteomics  
Bioinformatics  
Metagenome
