

# CALL FOR PAPERS

**ICSSVCC 2020**  
**Aug 17-18, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSSVCC 2020 : International Conference on Service Systems and Value Co-Creation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Service Systems and Value Co-Creation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Service systems  
Smart service systems  
Service business models  
Service knowledge  
Multi-disciplinary analysis  
Service evolution  
Service innovation

Service design methodologies  
Service information  
Service-oriented architecture  
Users' involvement  
Viable systems approach  
Value co-creation
