

# CALL FOR PAPERS

**ICDSIO 2020**  
**Aug 21-22, 2020**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDSIO 2020 : International Conference on Dietary Sugar Intake and Obesity is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Dietary Sugar Intake and Obesity. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sugary foods  
Dietary sugar intake  
Sugar-containing food groups  
Sugar sweetened beverages  
Sweets and desserts  
Food intake control  
Physical activity

Body weight  
Body fat  
Overweight  
Obesity  
Metabolic syndrome  
Non-transmissible diseases
