

CALL FOR PAPERS

ICIPTS 2020
Aug 21-22, 2020
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIPTS 2020 : International Conference on Indoor Positioning Techniques and Sensors is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Indoor Positioning Techniques and Sensors. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Indoor positioning
Tracking
Navigation
Sensors

Node and network architecture
Sensor fusion
Measurement principles
Accuracy
