

# CALL FOR PAPERS

**ICLFI 2020**  
**Aug 21-22, 2020**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLFI 2020 : International Conference on Low-Flow Irrigation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Low-Flow Irrigation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Low-flow irrigation  
Micro irrigation systems  
System components  
Hydraulic design of trickle irrigation systems  
Low-flow irrigation technology  
Emission devices  
Microtubing  
Fixed flow drip emitters

Adjustable drip emitters  
Micro-sprinklers  
Ecological restoration and phytoremediation projects  
Water conservation and regulations  
Monitoring soil water  
Low-flow irrigation management  
Sustainable micro irrigation management  
Drip irrigation for agriculture
