

CALL FOR PAPERS

ICOCB 2020
Aug 21-22, 2020
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICOCB 2020 : International Conference on Oncogenesis and Cancer Biology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Oncogenesis and Cancer Biology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Oncogenesis
Apoptosis
Cancer metabolism
Cell cycle and growth regulation
Cellular oncogenes
Cellular transformation and
immortalization
DNA damage and repair

Mode of action of cancer
therapeutics
Molecular oncology
Novel targeted therapies
Senescence
Tumour suppression
Virus-induced oncogenesis
