

CALL FOR PAPERS

ICUFSHH 2020
Aug 21-22, 2020
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUFSHH 2020 : International Conference on Urban Food Security and Human Health is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Food Security and Human Health. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Urban food security
Approaches and actors in urban food security
Urban food security and nutrition assessment
Urban food security and consumption
Quality of food and human health
Challenges to improving food security

Stressors affecting food security
Policies and actions aimed at improving food security
Urban food security in developing countries
Urban resilience and climate change
Urban agriculture and urban food insecurity
