

CALL FOR PAPERS

ICFPPH 2020
Aug 20-21, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFPPH 2020 : International Conference on Family Planning and Reproductive Healthcare is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Family Planning and Reproductive Healthcare. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Reproductive health
Family planning services
Women's healthcare
Contraceptives-birth control
Reproductive medicine
Reproductive endocrinology
Reproductive toxicology
Reproductive ageing
Women reproductive cancers

Male reproductive cancers
Reproductive hazards
Reproductive hazards for female workers
Lifestyle factors and reproductive stress
Sexual and reproductive health and rights (SRHR)
Governance and accountability
Ethical, legal and social issues in reproductive health
SRH integration in health systems
