

# CALL FOR PAPERS

**ICFTSR 2020**  
**Aug 20-21, 2020**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFTSR 2020 : International Conference on Forensic Textile Science and Research is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Forensic Textile Science and Research. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Forensic textile science  
Textiles and their role in forensics  
Fibers, yarns and fabrics, and their role in forensics  
Garment and household textiles and their role in forensics  
Evidence collection and storage for forensic textiles  
Analyzing textile damage in a forensic context

Forensic analysis of textile degradation and natural damage  
Forensic analysis of sharp weapon damage to textiles  
Forensic analysis of blunt impact damage to textiles  
Forensic analysis of blood spatter on textiles  
Forensic analysis of textile ripping  
Forensic analysis of ballistic damage to textiles
