

CALL FOR PAPERS

ICHSCACM 2020
Aug 20-21, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHSCACM 2020 : International Conference on Home Stay Caregivers and Aged Care Models is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Home Stay Caregivers and Aged Care Models. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aged Care and quality of life
Basics and prototypes of aged care models
Patient safety in aged care management
Aged care policy and reforms
Regulation of aged care
Innovations in technology to improve the health and care of seniors
Ethics of aged care
Crucial skills in clinical care for home stay caregivers

Helping the elderly with health and happiness
Elderly home care
Improving the quality care for elderly
Communicating effectively with the elderly
End of life care
Assisting aging with compassion and contribution
Aging and death biology
